Subject.- Purchase of Mr. Mustur Ramaya Setty's building for locating Gubbi Town Municipal Office.

SIR,

With reference to your letter No.L. 567/M1. 78-31-2 dated 23-7-1931 on the above subject, I have the honor to state that the Assistant Engineer of Gubbi Sub Division who inspected the building is of opinion that it is worth Rs. 3,210/- and that it is not fit for a public institution (vide Executive Engineer's letter No. 281 dated 10-4-1932 with valuation statement enclosed in the file).

2. The Municipal Council were requested to reconsider the matter in the light of the remark made by the Assistant Engineer that the building is not fit for a public instctution. On that, the Council have resolved on 14-5-1932 (vide copy of resolution enclosed in the file) that the said building may be purchased as it can be had at a price lower than that estimated by the Assistant Engineer and as the present Municipal building is in a dangerous condition for holding the office.

3. I inspected the building in question on 18-6-1932 and I agree with the views of the council in the matter of purchasing the said building for Municipal office. It will do for the purpose with a few minor alterations.

4. It is seen from the Budget estimates for 1932-1933 (Review submitted separately to Government on 20-6-1932) that the closing balance for 1931-32 is estimated at Rs. 7,293/-.
